

A huge **thank you** to all our volunteers!

National Volunteer Week is April 20-26

915 volunteers of all ages supported our programs and services in 2024.

Volunteers provided **232 rides** to doctor's appointment, errands, and more, totaling **3,795 miles** for Garber Transportation.

Volunteers created cards with cheerful messages and hand drawn pictures that helped brighten JFCS clients' days through **Cards for the Community**.

About **400 volunteers** (individuals and groups), provided support to the Hag Sameach (Happy Holidays) program by serving on the leadership team and filling shifts leading up to the winter holidays. They helped in multiple ways: Adopt a Family experiences, sorting and organizing, prepping, gift wrapping, delivering gifts, providing Russian-interpretation, and providing extended delivery visits, which went to **813 referred individuals** in the community.

We are **grateful** to the many individuals, families and groups who stepped up and gave of their time, resources and talents through short-term and long-term volunteer opportunities to help us better serve the Jewish and broader communities!
