

a huge thank you
to our volunteers!

National Volunteer Week ♥ April 20-26

We are **grateful** to the many individuals, families, groups, and businesses who stepped up and gave of their time, resources and talent through short-term and long-term volunteer opportunities to help us better serve the community!

- In 2024, **915 volunteers** of all ages supported JFCS programs and services.

- Volunteers provided **232 rides** to doctor's appointments, errands, and more, totaling 3,795 miles for Garber Transportation.

- Volunteers **created dozens of cards** with cheerful messages and hand drawn pictures that helped brighten JFCS clients' days through Cards for the Community.

- About **400 volunteers** provided support to the Hag Sameach (Happy Holidays) program by serving on the leadership team and filling shifts leading up to the winter holidays. They helped in multiple ways: Adopt-a-Family experiences, sorting and organizing, prepping, gift wrapping, providing Russian interpretation, dropping off gifts, and providing delivery visits, which went to 813 referred individuals of all backgrounds in the community.
